OFFER LETTER

Dear Mr. Bin Kaiff,

We are pleased to offer you the position of **Administrative & IT Coordinator** at NK Motors on a full-time basis.

Your employment commenced on **April 2023**, and you were assigned responsibilities related to administrative coordination, operational support, IT management, and business process assistance.

Your key responsibilities included:

- Managing daily administrative and operational activities
- Handling data entry and maintaining company records
- Providing IT support and technical assistance
- Designing and developing the company website
- Supporting workflow improvements through technology solutions
- Assisting management in maintaining efficient business operations

You will receive a monthly remuneration of **LKR 60,000**, subject to company policies and applicable regulations.

Your dedication, technical knowledge, and professional attitude have contributed positively to the growth and digital development of the organization.

We are confident that your skills, knowledge, and commitment will continue to bring value to the organization.

We welcome you to NK Motors and wish you success in your professional journey.

Sincerely,

Authorized Signature

EXPERIENCE LETTER

TO WHOM IT MAY CONCERN,

This is to certify that **Mr. Bin Kaiff** was employed at **NK Motors** as an **Administrative & IT Coordinator** from **April 2023 to April 2024** on a full-time basis.

During his employment, he was responsible for handling a variety of administrative, operational, and IT-related tasks within the organization. His major responsibilities included:

- Managing daily data entry and maintaining records
- Coordinating administrative and operational activities
- Providing IT support and troubleshooting technical issues
- Designing and developing the company website
- Assisting in improving workflow efficiency through digital solutions
- Supporting business operations using technical and organizational skills

Mr. Thanzeel demonstrated strong technical abilities, professionalism, teamwork, and dedication throughout his service period. He successfully applied his Computer Science knowledge in practical business operations and contributed positively to the company's workflow and digital presence.

We found him to be sincere, responsible, and capable in carrying out his duties.

We wish him every success in his future career endeavors.

Sincerely,

Authorized Signature
